At the low price of TWO DOLLARS per annum, in advance

THE TRIBUNE.

FOREIGN INTELLIGENCE. RECEIVED BY THE GREAT WESTERN.

Por Commercial Intelligence see inside of this Paper.]

RIGHT OF SEARCH,-The Duke de Broglie has RIGHT OF SARCH, "The Buke of Brogle has arrived in London, and the conference is now sitting which is to decide the future policy of England and France. It is understood, on all hands, that the substitute for the Right of Search which he proposes, is a blockade of the Coast of Africa by the two Powers, joined, of course, to the Squadnited States already there for that pur-The Right of Search, in its most obnoxious s thus given up; but the substitute, inade-as the former system was, promises to be

seems to have penned it under the remarkable misapprehension that negroes captured from slave-ships, when landed in the West I dies, are subject to slavery in another shape under the name of "apprenticeship." It is unaccountable how President Tyler could have fallen into this error. The "apprenticeship." System was abolished several years ago, and a negro landed in the West India islands is just as free as Mr. Tyler. The subject was mentioned in Parliament, when Sir Robert Peel expressed a hope that the United States might send a "commissioner" to the West Indies to investigate the condition of the negroes in those islands.

checked his night sweats and placed theross of health upon his check?

FOLGER'S OLOSAONIAN,

All-Healing Balsam.

The measure for restoring the courch property was still under discussion.

General Araoz, who was arrested some months ago, under pretence of being engaged in one of General Narvaez's pretended conspiraces, and for whose execution, without trial, orders had at one time been given, has been brought before a court-martial and fully acounted. precise, language, as t martial and fully acquitted.

BY GREELEY & McELRATH.

VOL. V. NO. 7.

martial and fully acquitted.

A Lisbon letter of the 11th instant gives an account of a serious commotion in the district of Figueras, attended with the loss of many lives and the incendarism of several houses. The tumult was occasioned by an attempt to levy and collect a new impost on wines. The details are calculated to leave a bad impression of the administration of affairs in Portugal, and of the condition of the people under the government of Senhor Cabral. ple under the government of Senhor Cabral.

GREECE.
The political affairs of this country seemed get-The pointing analys of this country seemed get-ting into deeper confusion. The Coletti Ministry had been defeated on a question of the jury lists by fifty-two to forty-five. The Government, however, persists that the measure was not strictly a Minispersists that the measure was not strictly a Minis-terial one; but it does not appear possible for the Government to stand. An amnesty has been grant-ed for all crimes committed during the elections last year, a measure for which the Government takes great credit, though the object of it is simply to issue their own unscrupulous partisans from de-served nuishment.

Government, which may be considered as a Council by the one read a few weeks in the Grand Council by the Sultan himself, and in which he roundly rated his Ministers for their gross negligence of improvement in the government and education of the people throughout his dominions—

VISIT OF THE QUEEN TO IRELAND.—It is now ossitively stated that the Queen has resolved upon usiting Ireland next summer, and preparations for er reception have been already commenced.

Salm of Autographs.—A sale of the second of a terrific explosion. The pavilion, and the buildings inhabited by artillery-workmen and others, had been carried away. The explosion took place in two magazines. have been already commenced.

TOGRAPHS.—A sale of autographs of other by a ditch at the foot of the old Spanish town, upon which the lighthouse stands. Forty-three artillery workmen, ten artillerymen, thirty-one pontonniers, and two workmen were killed, and thirty-one workmen were killed, and thirty-one pontonniers, and two workmen were killed, and thirty-one pontonniers, and two workmen were killed, and thirty-one pontonniers. lon, some dating as far a local problem of Nelson, the Duke of Elizabeth. The antographs of Nelson, the Duke of Wellington, and General Washington, commanded better prices than most of the crowned heads. There were 184 lots sold, and they realized \$300.

Death of Regina Maria Roche—On Monday moraine, at her residence, on the Mall, the above-named lady, authoress of the 'Children of the Abbey,' and other works, died at the advanced age of 81.

[Waterford Chronicle.]

Or. EEGOWN. Occitis, 16 Chambers-attert, the
door from Brondway, continues his successful
treatment on all diseases of the Eye, and to
which cases of 10 to 10 years have yielded, having been declared incurable by winness Oculists. About three-fifths of opthalmic diseases
are caused by McAPLES and Small-foo, which, if properly
treated in an early stage, are mostly comble. Dr. B. asserts
that an instance of failure in his mode of treatment would be
almost naknown, if the afflicted would apply to him when
diminution of sight is first noticed, or in early stage of inflammation, however acute.

Beforence to the following cures, which were very inveterate cause:

Miss I. Metzer, 25 Cannon-zeres, a violent case of IRIT15

Trues. Mouth Mirrors. &c. Also, Nail Files. Tooth Picks, Tweezers, Tongue Berajers, Corn Lubbers, and all other articles recessary for the toilet or personal conform, at home or maveling.
